We have audited the accompanying financial statements of Shadhika Project, Inc., (a California nonprofit corporation), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Shadhika Project, Inc. as of December 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Shadhika Project, Inc.’s 2017 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 15, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

NOTE 1 - NATURE OF ACTIVITIES

Shadhika Project, Inc. (the Organization) (Shadhika) is a nonprofit corporation incorporated in California in 1993. The Organization addresses gender inequality in India by investing in the education, empowerment and economic self-sufficiency of young women and by teaching young men to respect women and girls. By providing funding and support to women-led, non-profits in India, Shadhika empowers at-risk young women to realize their aspirations for a better future.

The Organization is funded primarily by contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

1. Basis of Accounting
   
The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

2. Basis of Presentation
   
The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles which require the Organization to report its financial position and activities according to the following net asset classifications:

   **Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization’s management and board of directors.

   **Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity.

   Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

3. Cash and Cash Equivalents
   
The Organization considers all unrestricted highly liquid investments with an initial maturity of six months or less to be cash equivalents.
4. Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

5. Capitalization and Depreciation

The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of $2,500. The fair value of donated assets is similarly capitalized. Depreciation of property and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. At year-end, the organization had no such assets.

6. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. Income Taxes

The Organization has received an Internal Revenue Service exemption from federal income taxes under Section 501(c)(3). Accordingly, no provision or liability for income taxes has been provided in the accompanying financial statements.

8. Functional Reporting of Expenses

For the year ended December 31, 2018, the costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain categories of expenses attributable to program services or a supporting function are allocated on a reasonable basis that is consistently applied. The significant expenses that are allocated include salaries and payroll taxes which are allocated based on time and effort. In addition, travel and meals expenses are allocated based upon estimated program or functional category benefited.

9. Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.
NOTE 2  -  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES (Concluded)

10. Summarized Prior-Year Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization’s financial statements for the year ended December 31, 2018, from which the summarized information was derived.

11. New Accounting Pronouncement

On August 18, 2016, the Financial Accounting Standards Board issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses net asset classification, information about liquidity and available resources, information provided about functional allocation of expenses, and consistency in reporting investment return. The Organization has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

12. Subsequent Events

Management has evaluated subsequent events through May 7, 2019, the date the financial statements were available to be issued.

NOTE 3  -  PLEDGES AND GRANT RECEIVABLE
