Shadhika's mission is to inspire a culture shift in India by ensuring every young woman is empowered to realize her full potential. Investing from adolescence to adulthood, we partner with local women-led organizations that serve young women who face the highest discrimination in India. Shadhika empowers young women leaders to address the systemic discrimination they face from their right to an education, to safety and mobility, to sexual harassment and child marriage. Our bottom up approach creates a generation of young women leaders, each of whom is lifting up a generation beside and behind her. To this end, in 2020 Shadhika empowered over 4,300 young women leaders to champion girls' rights in seven states across India.

In 2020, the Organization took swift action that ensured institutional resilience and programmatic success under unprecedented circumstances. The Organization cut back on operational costs to prioritize the integrity of its grantmaking commitments. The Organization unrestricted its program support grants to give its partners in India maximum flexibility to respond to the unique needs of the communities they serve. The Organization extended the disbursement period of scholarships in order to accommodate calendar delays and closure of colleges and universities. Finally, the Organization pivoted its in-person activities to become virtual, including quarterly roundtables with partners, a virtual Leaders for Change Summit in November, and monthly check-ins with local partners and Shadhika Scholars. This allowed the Organization to be nimble and responsive to the evolving crisis, to prevent any staff loss related to the COVID pandemic, to help our partners keep their doors open, and to keep 100% Shadhika Scholars in school.
